I´ve got all them blue notes in ma head

lying in ma bed and turning sad

thinkin´ ´bout the old times

and friends that are dead

so I´ve got all them blue notes in ma head

I´ve got all them blue notes on ma mind
thinkin´ of the shadows far behind
walkin´ through the trouble
and the love I didn´t find
I´ve got all them blue notes on ma mind

Harp SOLO

I´ve got all them blue notes on ma way
turning ev´ry song from green to grey
but it made me what I am
and it brought me up to you
so I love them blue notes - when I´m blue
yes, I love ma blue notes - ´cos I´m blue
