C **E7**
Young, I feel young when I kiss you,
Am **F**
and pain, pain just seems to disappear,
C **E7**
Getting older at your side,
Am **F**
ain't so bad, I do find,
C/G **C/G**
It gets better ___ from year to year

Sweet, it's so sweet when your smilin',
Cos' then, then I know your okay,
Takin'you ___ in my arms,
With all of your charms,
is all ___ that I need ___ to stay

*I'm here, here whenever you need me,
and I know, you are there for me too,
I'll keep the fire warm, whenever you're gone,
and you kiss me, whenever I'm blue

- **Solo Gitarre** -

Your picture, I keep it inside me,
and your voice, hear it next to me too,
In an album full of songs, right there, where they belong,
in my heart, just for me ___ and for you

*Young, I feel young when I kiss you,
and pain, pain just seems to disappear,
Getting older at your side,
ain't so bad, I do find,
No, it gets better ___ from year to year
... from year to year
... from year to year
