CHORUS

A A7 D5
Oh, I don't _ like - fish or meat

A A7 E
That ain't no treat

A A5 D5
But I love it, when you cook for me

C D A C D A
It's the only thing I'll ever eat - it's the only thing I'll ever eat

A C

How u' feelin' today, ma Babe?

...Hot n' spicy or real tame?

A C

You wantin' some of ma hot-pot?

... yeah, Baby, that hits the spot

How's about a big sweet tart?

... mmm, yeah for all that lovin' in my heart

And afterwards a whisky on the rocks?

... yeah and you can kiss me...down to my socks

CHORUS

What about some apple crumble?

... it could rid me of this day's grumble

Or would you rather have apple pie?

... that makes me cheeky and high

Are you ready for chocolate mousse?

... well. as long as it comes with a big soft kiss

And to top it off, a G & T

... and then honey, I'll pull you into bed ...with me

CHORUS

C-Teil E D E D A

What you got (cookin' for) dinner today?

Had you on my mind, Babe, all the way,

You got me sizzlin', I (sure) can say

Get my pot a boilin', and I won't be lat
