Hey – yay-yay, ...is it okay ...  
and love you all the way  
to love you more each day

I – yey, yey, ... I think I do know why...  
you did catch my eye  
You're the woman of my life

you – ou – ou, your so sweet for sure ....  
with your lips so pu-u-ure, won't you kiss no fewer  
everything you do-o-o, darlin it is true....  
Darlin' I can't hel-yel-yelp ... but overlove you

...

Way-ay-ay ... don't you go away,  
I pray-ay-ay, you are always in my prayer(s)  
be my bride, you may

So why-ey-ey, can't I make you mine  
Share your kids and life  
Have you by me all the time

But me-e-e, for a guy like me-e-e  
Your love is too gooo-d, I'd change me if I cou-ou-ould,  
But I don't hear no tru-u-uth... my love's alive for go-oo-ood,  
I can't help bein' blu-u-ue... cos I overlove you

...
