Tuning EADGAD (Capo III) **DAhG**

**F** **C**

The roads ain't gettin no shorter

**d** **B**

My songs ain't gettin' more blue

**F** **C**

I've reached those vintage years

**d** **B**

But lovin', lovin' I still do

## **Chorus:**

**F**

Playing in different worlds

**C**

Sharing drinks and girls

**d**

Takin' on fights and hurts

**B**

Coolin' off wounds and burns

**F**

**d**

Now I...I guess I...wanna turn round and go home

My family ain't gettin' no bigger

My heart may have tightened up it's noose

I'm nearin' the end of my high-life tour

But lovin', lovin' I can still do

## **Chorus**

My heart ain't gettin' no stronger

And breathin' ain't gettin' easier too

I'm findin' it hard to be sweet to you

But lovin' you, darlin', is all I can do

## **Chorus -**
