**C e F G**

Did I tell you this year that I love you?  
Did I use those words?  
Or did I just think it and forget to say it?  
I hope that you still heard...

**e F C F C G C**

...' cause you are \_\_\_\_ always \_\_\_\_ on \_\_\_\_ my \_\_\_\_ mind

Did I show you this year that I need you?  
Or did I not let you know?  
I hope that you still feel the same love as last year  
and never let it go ....

**e F C F C G C**

...' cause you are \_\_\_\_ everything \_\_\_\_ I \_\_\_\_ need \_\_\_\_ now

- whistle tune - :-)

Did I kiss you this year like I mean it?  
Did I let you inside my heart?  
I hope that you felt it, that love that won't burn out,  
just like a sky full of stars ...

**e F C F C G C**

...' cause you are \_\_\_\_ the one \_\_\_\_ who \_\_\_\_ knows \_\_\_\_ where they are
